Visions of Cullen Park – Vee Stader

Autumn colors are decorating Cullen Park. Boaters are getting in their last rides on the water before the ramps are taken out the week of November 15. Fishermen (and ladies) are having good days...reports of 14 inch perch. Finches sighted feasting on dried flower seeds, lots of ducks along the shoreline, migratory birds heading south, shorter days, awesome sunsets...all the signs that Summer is gone and the approaching colder weather is on the way. But the walking, hiking and biking opportunities remain, weather permitting.

I would like to thank everyone who pitched in to keep the park looking good and to all the volunteers who have helped turn the park around. People approach me and thank me for my efforts and I never fail to sing the praises of the volunteers who are the backbone of the achievements. Special kudos to Len Syrek and Dave Zobler for their recent assistance in treating undesirable invasive plants.

Due to the Thanksgiving holiday the next meeting is changed to November 30. Everyone is welcome. There are no obligations. No meeting in December.
Till the next time...Happy Thanksgiving. Vee

Make it a good day 

Trunk or Treat at Friendship Park Community Center

On Saturday, October 29, 2016 Friendship Park Community Center had their first Trunk or Treat event. It was a gorgeous day and the turnout was great. It was great to see the Point Place Community come together again for one of our neighboring activities. We had a number of Trunk or Treaters in the parking lot with goodies of all sorts. The kids and parents were decked out from wonder girl, batman, ninja warriors and more.

On hand the Center provided hot dogs, chips and pop for a small fee. Looking forward to an even bigger Trunk or Treat event next year. Kudos to all who helped in the event.
