# Point Place Days

## 31<sup>st</sup> Point Place/ Shoreland Parade

Another successful parade is in the books! The weather was picture perfect; the parade went off without a hitch and it was lots of fun for spectators and participants alike. Per tradition the parade was kicked off with a fly over by the Mercy St. Vincent Life Flight followed by the Carp Town Cruisers. The Washington Local Fire Department, Police Chief, many of our local politicians and even Muddy came to join the fun and celebrate the beginning of Point Place Days. Thank You to all the participants, spectators, sponsors, volunteers and Toledo Police Officers for making the parade possible. The Point is the Best Place Any Place! We are already looking forward to the 32<sup>nd</sup> Annual Parade next year!

# POINT PLACE BUSINESS ASSOCIATION PRESENTS 31ST ANNUAL POINT PLACE/SHORELAND PARADE & POINT PLACE DAYS

**Point Place Days** is an annual celebration of the Point Place and Shoreland community that takes place during the month of June. It was the brain child of Past President of PPBA and Honorary Mayor of Point Place, the late Howard Pinkley in 1990. He was the first chairman of the parade, followed by Deb and Mark Schuster and Tom Stagner, who is current chairman for the 10th year. It takes dozens of volunteers that work on the parade and events for months. There was no parade in 2020 due to COVID, but it was back in full force last year and looking forward to another fabulous parade this year.

There are dozens of events throughout the month – something for everyone!

# VISIONS OF CULLEN PARK

The windows are open, the birds are chirping away and the roses are going bonkers! I hope you're all enjoying the long-awaited warm weather.

The last update on the new restroom at Cullen Park is that it will be completed by year's end. Also, local artist, Leslie Dietsch has been moving forward with her idea of art projects for kids and adults at the park.

An avid birdwatcher informed me that many, many more birders and birds are being observed in the forest area of Cullen as compared to last year. Also, Pelicans are being seen from the Erie Marsh area to Point Place. Photos are being posted of the American White Pelican in large groups.

The next Visions meeting is Wednesday, June 22nd at CrossPoint Church at 6:30 pm. Everyone is welcome, please join us.

Till the next time, Vee
